

ZONING ADMINISTRATOR
NOTICE OF DECISION

Date: January 17, 2012
Applicant: Euro House, Inc.
Case No.: PCC-11-019
Address: 2110 Birch Road, Suite 104, Chula Vista, Ca.
A.P.N.: 643-770-18-00
Project Planner: Richard Zumwalt, A.I.C.P., Associate Planner

Notice is hereby given that on January 17, 2012, the Zoning Administrator considered a Conditional Use Permit (PCC-11-019) application filed by Euro House, Inc. ("Applicant") to allow the on-site sales and consumption of alcohol and a sit down restaurant called Euro House ("Project") at the Otay Ranch Winding Walk Marketplace located at 2110 Birch Road, Suite 104, Chula Vista, Ca. ("Project Site"). The Project Site is zoned Planned Community (P-C) Mixed Use Commercial with a General Plan designation of Mixed Use Residential (MUR). The Property is owned by Winding Walk Marketplace, LLC ("Property Owner"). The proposed land use is more specifically described below:

The application requests approval of a Conditional Use Permit to operate a restaurant with the on-site sale and consumption of alcoholic beverages including beer and wine, and live entertainment including music and dancing, in an existing 2,233 square foot suite with a capacity of 94 persons. The restaurant would be open between 8:00 a.m. to 10:00 p.m, Sunday through-Thursday, and 8:00 am to 12:00 am (midnight) Friday and Saturday. The restaurant anticipates 4-5 employees and serves lunch and dinner daily with alcoholic service available for on-site consumption only. The applicant may request an amendment of the proposed Alcoholic Beverage Control license for beer and wine to permit on-site general alcoholic beverage sales in the future.

Pursuant to the Otay Ranch Village Eleven Planned Community District Regulations, restaurants with alcoholic beverages and/or live entertainment are conditionally permitted subject to approval of a Conditional Use Permit.

The Director of Development Services has reviewed the proposed Project for compliance with the California Environmental Quality Act and has determined that the Project qualifies for a Class 1 categorical exemption pursuant to Section 15301 (existing facilities) of the State CEQA Guidelines. Thus, no further environmental review is necessary.

The Zoning Administrator, under the provisions of Section 19.14.030.A of the Chula Vista Municipal Code, has been able to make the following Conditional Use Permit findings as required by CVMC Section 19.14.080:

That the proposed use at this location is necessary or desirable and will contribute to the general well being of the neighborhood or the community.

The proposed sit-down restaurant is located within a major commercial center with nearly 103,663 square feet of retail, commercial and restaurant uses. The restaurant is consistent with the types of uses that would be found within a commercial center. The sit-down restaurant with incidental alcohol sales would provide desirable dining opportunities for the Otay Ranch community and surrounding areas. The restaurant and incidental alcohol sales would provide customary service typically offered by sit-down restaurants, in addition to live entertainment.

That such use will not under the circumstances of the particular case be detrimental to the health, safety or general welfare of persons residing or working in the vicinity or injurious to property or improvements in the vicinity.

The restaurant would be located within a commercial center designed for this and other complimentary food and retail uses. The shopping center is across Birch Road from the Landings Apartments, and the restaurant would be located adjacent to the food court, which is approximately 150 feet across Birch Street from the apartments. The applicant is required to obtain an Alcoholic Beverage Control license from the State Of California Alcoholic Beverage Control Commission (ABC) for the sales of alcohol complying with all applicable state and local regulations. Conditions of approval are included in the CUP and the ABC license, which will ensure that the sale and consumption of alcoholic beverages are limited to the hours specified in this permit, and that alcohol sales can only be conducted indoors and are prohibited outside the restaurant in the food court area. In addition, any potential adverse affects from live music and dancing will be minimized by conditions of approval that require that the applicant to obtain a permit for live entertainment from the Police Department and State ABC, and that live music and dancing will be conducted indoors and noise will not be audible beyond 50 feet of the ABC designated alcohol serving areas.

That the proposed use will comply with the regulations and conditions specified in the code for such use.

Granting of this conditional use permit is conditioned to require the Applicant and Property Owner to fulfill the conditions of approval and to comply with all applicable regulations and standards specified in the Municipal Code for such use. These conditions will be enforced through building plan review, inspections prior to occupancy of the use and subsequent operation of the business. Furthermore, the conditions of this permit are approximately in proportion to the nature and extent of the impact created by the project in that the conditions imposed are directly related to, and of a nature and scope related to the size and impact of the project. The project will comply with all regulations and conditions specified in the Zoning Code for uses established under PCC-11-019.

That the granting of this Conditional Use Permit will not adversely affect the General Plan of the City or the adopted plan of any government agency.

The General Plan designates the site as Mixed Use Residential, which permits mixed Residential and Commercial land uses. Restaurants, which sell alcoholic beverages for onsite consumption, are considered consistent with Mixed Use Residential land uses, upon approval of a Conditional Use Permit. Thus, the proposed incidental alcohol sales to the restaurant use is consistent with the General Plan – land use element, and the Otay Ranch Village 11 Winding Walk SPA Plan and PC District Regulations, and will not adversely affect the City's General Plan.
